

## Course Overview

The GUE Recreational Diver Level 3 course is a mastery-level recreational class structured to prepare divers for deeper recreational diving using proper equipment, diving techniques and breathing mixtures. In this class, students will be introduced to the theory and practice of limited decompression, the use of trimix as a breathing gas and trained in correct ascent procedures.

The course is usually conducted over a very intense 4 day period and is particularly heavy on in-water skills.

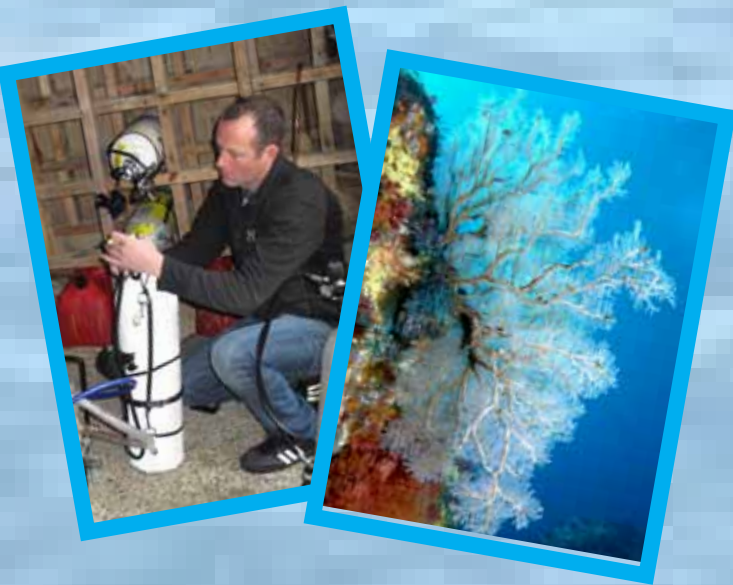

## Skills

The GUE Rec 3 course covers all the essential skills required to dive safely in the 40m depth range: valve failures, gas switching procedures, ascent protocols, out-of-gas emergencies, basic line protocol, SMB deployment, team communication and diving protocols.

## Your Instructor

Jamie Obern is New Zealand's only GUE instructor and has been teaching GUE classes since 2009. He has been involved with GUE since 2005 and is a passionate advocate for GUE in New Zealand. As well as running GUE classes Jamie is also actively involved in GUE projects, both in New Zealand and overseas.

## Course details

- Time commitment: 4 days
- No. of dives: 8 dives
- Pre-reqs: GUE Fundamentals "tech" pass
- Student to Instructor ratio: Max 3:1
- Equipment req'd: Standard GUE equipment configuration. Please contact us for more details.
- Qualification limits: 40m, 15min accelerated deco, 30/30 and 21/35 trimix
- Cost: \$1,200 + expenses.
- Equipment hire: All specialist equipment req'd for this course is available for hire. Please contact us for details
- If at a later date you continue on and take GUE Tech 1 with me you will receive a discount of \$600 off the full T1 price.
